ANIMA Holding: August 2018 net inflows

Milan, 7 September 2018

ANIMA Group recorded in August 2018 positive net inflows for around €394 million; total assets under management reached at the end of the month approx. €102.7 billion, with approx. 36% increase compared to AuM at the end of August 2017.

"Despite the pressures recorded on markets and the usual negative seasonality of a month characterized by reduced activity, net inflows are particularly positive also thanks to the start of the management of the recently bought insurance mandates", commented Marco Carreri, CEO of ANIMA Holding.
