

Key Investor Information

This document provides you with key investor information about this fund. It is not marketing material. The information is required by law to help you understand the nature and the risks of this fund. You are advised to read it so you can make an informed decision about whether to invest.

**ANIMA Zephyr New (the “Fund”), a sub-fund of ANIMA Funds plc
Class I Shares ISIN: IE00BKMF5854 (the “Shares”). The Fund has appointed ANIMA SGR S.p.A., as its UCITS
management company (the “Manager”), part of the ANIMA Holding S.p.A. group of companies.**

Objectives and Investment Policy

Investment Objective: The objective of the Fund is to seek to provide a long-term capital appreciation. The Fund is actively managed without reference to any benchmark.

Main categories of financial instruments that are the object of investment: The Fund will invest in Equity Instruments, Debt Instruments, Money Market / Short Term Instruments and Commodity Instruments.

The Fund may invest up to 100% in Equity Instruments and/or Debt Instruments and/or Money Market / Short Term Instruments and/or Commodity Instruments. The Fund may gain an exposure of up to 100% of its net assets to emerging markets Equity Instruments. The Fund may gain an exposure of up to 100% of its net assets to emerging markets Debt Instruments and Money Market Instruments/ Short Term Instruments. The Fund may invest up to 20% of its net assets in convertible bonds and up to 10% of its net assets in warrants. The Fund may hold up to 30% of its net assets in deposits. The Fund may invest up to 100% of its net assets in Collective Investment Schemes. The Fund will seek to maintain a medium level of volatility without guarantee to maintain it at all times. The currency exposure is actively managed. The Fund is exposed to exchange rate risk.

The Fund may enter into stock lending arrangements for efficient portfolio management purposes, and/or may use Financial Derivative Instruments for (i) hedging, (ii) risk reduction and/or (iii) investment purposes.

The Fund may use financial leverage to increase the amount invested in financial instruments to twice the value of the Fund's net asset value. This means that if there are changes in the prices of those financial instruments, the Fund could

either gain or lose twice as much as it would gain or lose without using financial leverage.

Redemption of Shares: You can ask the Fund to buy back your Shares on any Thursday (or if Thursday is not a business day, on the next following business day), provided instructions are received before 5 p.m. (Irish time) two business days before. Investors can ask for full or partial repayment of the Shares held. Please refer to the Prospectus for further dealing information.

Benchmark: The Fund does not aim to track the performance of a benchmark. Portfolio composition is determined based on active and discretionary investment decisions and choices.

Portfolio Transaction Costs: The Fund's portfolio transaction costs are paid out of the assets of the Fund. These costs are in addition to the charges set out in the Charges section below and may have a material impact on the Fund's performance.

Income: The Directors of ANIMA Funds plc may decide to declare distributions which may be paid out of the capital of the Fund. Please refer to the risks outlined below. Distributions, if declared, will be distributed on an annual basis.

Recommendation: This Fund is suitable for investors who are willing to set aside capital for up to 5 years.

Risk reward and Profile

The historical data used to calculate the synthetic risk indicator cannot provide a reliable indication about the future risk profile of the Fund.

The Fund has been classified in risk/reward class 4, because its internal volatility limit is equal to or greater than 5% and less than 10%.

The risk/reward category shown is not guaranteed to remain unchanged and the categorization of the Fund may shift over

time. Please note, the lowest category on the indicator does not mean risk free.

Risks that are materially relevant to the Fund and which are not adequately captured in the risk-reward indicator:

Credit Risk: The risk that the issuer of a debt instrument may default, in whole or in part, on its obligation to repay the full capital amount invested and/or the interest thereon.

Counterparty Risk: The risk that the counterparty to a transaction of OTC derivative financial instruments or of efficient portfolio management techniques will not fulfill the commitment assumed at the deadlines set by the contract; this risk can be mitigated by receiving guarantees from the counterparty.

For further information on the risks related to the Fund please refer to its Fund Information Card and to the section of the Prospectus entitled “Risk Factors”.
