What is this product?

Type: The Fund is a sub-fund of ANIMA Funds plc (the "Company"), an open-ended investment company with variable capital incorporated in Ireland and authorised by the Central Bank of Ireland as a UCITS. The assets of the Fund are segregated from those of other sub-funds and cannot be used to pay the debts of other sub-funds of the Company.

Term: The Company has an unlimited life and there is no maturity date for this Fund.

Investment Objective: The objective of the Fund is to provide gradual capital appreciation.

The Fund is actively managed in reference to its Benchmark.

The Fund will seek to achieve its objective through investments in a diversified portfolio of Debt Instruments - amongst which the focus will be mainly on corporate bonds denominated in U.S. Dollar - and/or Money Market/Short Term Instruments, and/or derivatives.

The Fund may invest up to 100% of its net assets in Debt Instruments and/or Money Market/Short Term Instruments. The Fund may invest up to 100% of its net assets in corporate Debt Instruments which are listed or traded on any Recognised Exchange in North America.

The Debt Instruments and Money Market/Short Term Instruments in which the Fund invests will mainly be of investment grade or, if unrated, which are in the opinion of the Manager, of comparable quality, and will mainly be denominated in USD currency.

Exposure to exchange rate risks may be very high and is actively managed.

The Fund may hold up to 30% of its net assets in deposits with credit institutions and hold cash for ancillary purposes.

The Fund may invest up to 10% of its net assets in Collective Investment Schemes.

The Fund may invest up to 10% of its net asset in emerging markets.

The Fund will never invest in Russia.

The Fund may enter into stock lending arrangements for efficient portfolio management purposes, and/or may use Financial Derivative Instruments for (i) hedging, (ii) risk reduction and/or (iii) investment purposes. The Fund may use financial leverage to increase the amount invested in financial instruments to twice the value of the Fund's net asset value. This means that if there are changes in the prices of the financial instruments the Fund could either gain or lose twice as much as it would gain or lose without using financial leverage.

Benchmark: 100% ICE BofA 1-10 Year US Large Cap Corporate (Gross Total Return - in Euro).

Degree of discretion with respect to the Benchmark: the investment strategy will restrict the extent to which the portfolio holdings may deviate from the Benchmark. This deviation may be limited. This is likely to limit the extent to which the Fund can outperform the Benchmark.

No dividend is payable on the Shares. Income earned by the Fund will be retained by the Fund and will be reflected in the value of your Shares.

Intended retail investor: This Fund is suitable for retail and institutional investors identified on the basis of the following characteristics:

- is an Investor willing to keep the investment for a period of time in line with the Recommended Holding Period; accordingly, the Fund is suitable for Investors with a time horizon medium;
- is an Investor who can bear total capital loss as the Fund is not guaranteed and has a medium-low risk class and a medium-low risk tolerance;
- is an Investor looking for capital growth.

The Depositary of the Fund is State Street Custodial Services (Ireland) Limited.

Copies of the Prospectus (including the Fund Information Card) and the annual and half-yearly reports of the Company may be obtained from the Administrator, free of charge, or by visiting www.animasgr.it. These documents are available in English. The Net Asset Value ("NAV") of the Fund is calculated in Euro. The NAV per Share will be available from the Administrator and will also be published on www.animasgr.it each time it is calculated.

Single investment: 10,000 Euro		
	If you exit after 1 year	If you exit after 5 years
Total costs	278 Euro	671 Euro
Annual cost impact (*)	2.8%	1.2%

(*) This illustrates how costs reduce your return each year over the holding period. For example, it shows that if you exit at the recommended holding period your average return per year is projected to be 3.1% before costs and 1.9% after costs. We may share part of the costs with the person selling you the product to cover the services they provide to you. These figures include the maximum distribution fee that the person selling you the product may charge (2.00% of amount invested. Single investment 200 Euro). This person will inform you of the actual distribution fee.

How long should I hold it and can I take money out early?

Recommended holding period: 5 years

The Recommended Holding Period is defined according to the Fund's objectives, investment characteristics and risk profile. You can ask the Fund to buy back your Shares on any business day, in accordance with the provisions of the Prospectus, whether full or partial repayment of the Shares held is required. Any exit from the Fund before the end of the recommended holding period could have an impact on the risk or performance profile.

How can I complain?

The complaint must contain the client's identification details, the reasons for the request and it has to be signed by the Client or his delegate. The complaint, together with any related supporting documentation, a copy of the customer's identity document and any proxy, must be addressed to:
